A leading port centre

HAROPA, 5TH PORT CENTRE IN NORTHERN EUROPE : The ports of Paris, Rouen and Le Havre have come together to offer more relevant logistical solutions to their customers. Connected to the whole world thanks to an international maritime offer, HAROPA is the 5th largest northern European port complex after Rotterdam, Antwerp, Hamburg and Amsterdam. HAROPA handles more than 94 million tonnes of cargo.

- HAROPA PORT -
Published on 2 April 2019

1st port complex in France

- › 1st French port for containers
- › 1st French port for foreign trade
